

# Innovation Pathways Workshop: Designing for Equity

January 19, 2022

## Today's Resource Guide

Resource	Description
<a href="#">Innovation Pathways Equity Self-Assessment Supplement Tool</a>	A supplement to CCE's Building for Equity Self-Assessment tool, this needs assessment is designed to support schools' evaluation of equitable pathway design and implementation.
<a href="#">Self to Systems: Leading for Race Equity Impact, Proinspire</a>	This Leadership Model graphic is a tool to support individuals and organizations with core commitments, corresponding practices, and reflection questions that can create and sustain racially equitable experiences and outcomes within the social sector.
Padlet: <a href="#">What impacts student success?</a>	Generated from session facilitators and participants, this Padlet includes a wide range of items that we believe are impacting success in schools everywhere. The comments name the specific barriers related to each posted topic.
Padlet: <a href="#">Resources on understanding and addressing what impacts student success</a>	This Padlet links to articles related to the items in the above Padlet. These articles will serve to give more insight into how to recognize these concepts in ourselves and in our pathway programs.
<a href="#">Designing for Equity: Closing Commitments GoogleDoc</a>	This GoogleDoc captures commitments and next steps from the Designing for Equity workshop participants.
